PREPAID CARD ISSUING BANK⁴

The Bancorp, Inc. provides non-bank financial companies through its subsidiary, The Bancorp Bank, with the people, processes and technology to meet their unique banking needs. Our business partners range from small business startups to companies on the Fortune 500 and those in between. For over 20 years our goal has been to provide our partners with distinguished service and innovative solutions.

The Bancorp Payment business is the #1 U.S. Issuer of Prepaid Cards⁴ and we are also a Small Business Administration National Preferred Lender. We provide institutional banking services, and are one of the few bank-owned vehicle leasing and fleet management groups in the nation. Across our business lines, The Bancorp serves some of the most successful companies in the U.S., helping them turn business vision into reality.
